

LDCT

Laundry, Dry Cleaning Training.

Company Mission Statement.

Our aim is to provide the highest levels of industry knowledge to those undertaking our training.

Not just by helping them in achieving their goals, but also by helping them to learn more of their place in their chosen industry.

Empowering them through life experiences with the understanding and knowledge of their skills for themselves

Providing a level of teaching and enjoyment that recognizes these skill levels and to elevate their status in the workplace and community.
